

SUMMER HOLIDAY ACTIVITIES

We are looking forward to another exciting programme of free activities for all the family. Take a look through our timetable of scheduled workshops and book your places in advance by calling 020 7645 0560 (early booking recommended). To ensure everyone can enjoy the workshops, we have limited advanced booking of the FREE workshops to 2 children per workshop with a maximum of 2 events bookable per day.

Some of the programme has been created so that families can enjoy the activities and workshops together; we ask that all children are accompanied by an adult at each of these events.

There will also be arts and crafts taking place in the Foyer from 10am – 4.30pm each day that do not require advance booking – simply prepare to get creative!

WEDNESDAY 30 AUGUST:
